July 10, 2002**

**CALL TO ORDER:** 7:00 PM

The Pledge of Allegiance was led by Deputy Mayor Rauber.

**BOARD MEMBERS PRESENT**

Theodore E. Walker, Mayor  
Theodore E. Rauber, Deputy Mayor  
Steven T. Russell, Trustee  
Timothy M. Peer, Trustee

**BOARD MEMBERS ABSENT**

Glenn C. Granger, Trustee

**OTHERS PRESENT**

Alan R. Scheg, Village Administrator  
Pamela J. Cunningham, Village Clerk  
Thomas M. West, Superintendent of Public Works  
John E. Linder, Superintendent of Electric

Joan Quigley  
Nancy Traugh  
Terry Traugh  
Pat Everett  
Bill Everett  
Dan Spencer

**APPROVAL OF MINUTES**

Motion was made by Mayor Walker, seconded by Trustee Rauber and carried unanimously that the minutes of the year end meeting held May 31, 2002 be approved as read.

**PUBLIC HEARING**

**Proposed Local Law 101/2002 - To establish a process for Applying for Out Of Franchise Electric Service.**

Mayor Walker opened the Public Hearing on Proposed Local Law 101/2002 at 7:03 P.M.

Mayor Walker read the Local Law and opened the Public Hearing for audience and Village Board comments.

Bill Everett: How much will this take away our hydropower and increase our rates?

Mayor Walker: Our intent is not to allow people into our franchise. This is a long process with lots of hoops for people to go through before that would happen. Our expectation is that the closer RGE gets to our boundaries this will become a moot point. The other part that we stipulated as a condition that if we provide them with electric we would require some other type of heating, example gas, propane. Does that answer your question?

Bill Everett: Yes, we can see a lot of potential areas that could try and get Spencerport Electric.

Village Board Meeting

July 10, 2002

Trustee Rauber: I think this process will make people really look a lot harder before they decide to hook up to Spencerport Electric.

Page 2

Joan Quigley: Why did we give electric service to Connies Lane?

Mayor Walker: At that point in time RGE was a couple miles away and it would have been up to the developer to front the cost to connect to RGE. Again, our intent is in the future not to let anyone in. If someone already has power from RGE we would not switch them to Spencerport Electric. This is just to establish a process-where there was not a process before. It will become a law and be in our code book.

Mayor Walker closed the public hearing on proposed Local Law 101/2002 at 7:16 P.M.

### **PRIVILEGE OF FLOOR**

Nancy Traugh - 56 Coleman Avenue - Cars Speeding on Coleman Avenue.

Mrs. Traugh- I am really tired of seeing cars going 50, 60 mph in a 30-mph zone. We have older people walking the street. The neighborhood is changing and we have a lot of young kids. So I called the police one day and told them that I could be your worst nightmare. I told them that cars are flying down here and the drivers are paying no attention, they don't even slow down. I hate to say this but one day someone is going to get killed on Coleman Avenue. The police are targeting the young kids in the morning but that is not the case. It is the young and older people doing this. I yelled at a man going about 50 mph and he had to be about 50 or 60 years old. I went to every home and got signatures and everybody is in favor of getting stop signs at the corners of Barrett Avenue/Coleman Avenue and Maplewood Avenue/Coleman Avenue. A lot of them would like to see speed bumps. But I didn't think that was possible because of the snowplows. But something needs to be done before someone gets hurt. I may see the police once or twice during the summer and that's it. When I spoke to the women in the police department she stated that right now they only have one patrol car during the day. I hope they have more than one police officer on duty during the day. It is pretty upsetting.

Mayor Walker: Did the police come out at all and watch cars?

Mrs. Traugh: They can only come out twice a week and they target the young kids going to and coming from school. I can understand that, but it is during the entire day and late at night. You can't target the teenagers when the adults are just as guilty. I hope something will come of this because something has to be done. I don't know where to go beyond here? Just so everyone knows I won't stop until something is done. I don't want to see someone get hurt. My daughter who is a teacher suggested something about a "School Zone". We need to have more than one sign that states "Caution Children at Play". Coolidge Avenue does have these signs. I have the signatures right here.

Mayor Walker: Do you happen to know if this is in one particular direction?

Mrs. Traugh: No, it is in both directions. One woman who lives up near Route 31 and has an eleven-year-old son. She is afraid to let him play because if someone comes around and they don't have their steering wheel in control her son could get killed. You shouldn't have to worry about this. We don't live in the city.

Superintendent West: I agree with you. We set up work zones on Coleman Avenue and people do not slow down. But, I don't think we would be able to put a stop sign at the corner of Coleman and Maplewood Avenue. This is only because the cars can't get up the hill.

Mrs. Traugh: Could you make it a three-way stop like at Prospect and Maplewood?

Village Board Meeting  
July 10, 2002

We have older people walking the street at ten eleven o'clock at night. If you could imagine a car coming down the street at 50 mph you don't know where to run.

Page 3

(At this time Mrs. Traugh gave her petition to the Village Clerk for filing.)

Mayor Walker: You are probably aware that stop signs don't necessarily slow down speeders.

Mrs. Traugh: I know, but we need something.

Mayor Walker: Typically, what we will do is sit down and talk with the police department and discuss this speeding issue. For us to put stop signs in requires a Local Law change and that takes time for that to go through and happen.

Mrs. Traugh: When speaking to Mr. Bunce he stated that he calls the police department all the time. The police department also told him that they allow speeds to go up to 45 mph before they will give tickets. We have schools around us. Small kids in the neighborhood. The signs say 30 mph, why would they even suggest 45 mph. I don't understand that.

Mayor Walker: You mentioned something about "School Zone", was your intent for that to reduce the speed? Just during school hours?

Mrs. Traugh: My daughter says that the speed is 25 mph.

Clerk Cunningham: I believe the Village Board can establish any speed limit you want. We would need to confirm that with the Village Attorney.

Mrs. Traugh: We need something for the safety of anyone who walks in the village.

Mayor Walker: We will take your concerns/suggestions and also look to see if there are any issues on Prospect Street and Coolidge Avenue.

Mrs. Traugh: They had the same problem on Prospect Street before they put in the three-way stop sign.

Mayor Walker: Have you found any of the speeders actually live in the area.

Mrs. Traugh: Yes, they do.

Mayor Walker: It is not surprising, we have learned that in other areas,

Mrs. Traugh: You have to know that I have no small children. My baby is 38 years old. I can walk across the street and look both ways. But if some little child's ball rolls into the street, you know that child is going to run after that ball. They won't care about the cars.

Trustee Rauber: My mother-in-law lives on the corner of Coleman and Rt. 31. I put up a mailbox for her yesterday. Going across the end of Coleman Avenue to put up a mailbox with cars whipping around the corner, it is pretty scary. They fly around that corner.

Mrs. Traugh: A stop sign may not slow them down entirely, but it will at least slow them down 5 or 10 mph.

Mayor Walker: We will keep you posted and I don't know if we will have any resolution by our next meeting but we will have an update on our progress. Thank you very much for bringing this to our attention.

**Correspondence**

1. Letter received from Village of Bergen thanking us for the Electric Departments Mutual Aid assistance with substation repairs on Sunday, June 2, 2002. Bergen also sent us key chains with the Village of Bergen logo.
2. Letter received from Betty Spencer property manager for Fair Field Cemetery, thanking the DPW of Public Works for their assistance this past Spring with the clean up of the cemetery.
3. Letter received from United Way thanking us for our efforts with this year's campaign.
4. Letter received from Monroe County Household Hazardous Waste Collection. This year they only had 200 participants collecting 6.8 ton of hazardous waste. Next year it will be on June 14, 2003 in Hamlin.
5. Letter received in regards to the Empire Zones that are being created. At this point in time there are no proposals for sites within our village.

**Sewers Committee** – Trustee Rauber, Chairman

1. June 2002 Sewer Flow Report.

Trustee Rauber reported the average sewer flows at the wastewater treatment plant for the month of June 2002 was 1.11 million gallons. This is the second time that we have exceeded our monthly flow rate average due to the high water, infiltration, and leaky pipes.

2. Budgeted Repairs.

Trustee Rauber stated that Chief Operator Elliot is moving ahead with the budgeted repair items such as painting, replacing some doors and roofing.

3. Grit Collector.

Superintendent West informed the board that the grit collector is broken and unfortunately this repair was not budgeted. They will be doing what ever they can do to fix this at the lowest cost possible.

4. Odor Complaint.

Trustee Rauber stated that he received one odor complaint this past month. The complaint came from the Ridge Meadows area about two weeks ago. Trustee Rauber asked the person posting the complaint to come to our August meeting to speak at privilege of the floor.

**Planning/Zoning/Building Control** – Trustee Rauber, Chairman

- A. Planning

Trustee Rauber stated that the Planning Board met July 2, 2002 and started a Site Plan Review to sub-divide a property on Clark Street.

- B. Zoning

Village Board Meeting  
July 10, 2002

Trustee Rauber informed the board that Jack Crooks is currently working with Ogden Police Chief, Chris Schrank, on the Parking Ticket form.

At a regular meeting of the Village Board of the Village of Spencerport held at the Village Hall, 27 West Avenue, Spencerport, New York on July 10, 2002

Introduced by Trustee Russell  
Seconded by Trustee Rauber

**RESOLUTION ADOPTING LOCAL LAW 101/2002**

**A LOCAL LAW TO ESTABLISH A PROCESS FOR APPLYING  
FOR OUT OF FRANCHISE ELECTRIC SERVICE**

**Whereas**, the Village Board has before it a Local Law which, if adopted, will Establish a process for approving or disapproving applications for out of franchise electric service; and

**Whereas**, the Village Board has, on this date, held a public hearing to consider said proposed Local Law; and

**Whereas**, the notice of this hearing was duly published and posted as required by law; and

**Whereas**, this board on this date has reviewed the Local Law under the State Environmental

Village Board Meeting  
 July 10, 2002  
 Quality Review Act and issued a Negative Declaration;

**Now, therefore, be it resolved:**

**Section 1.** That the Village Board of the Village of Spencerport hereby enacts Local Law # 1/2002 "A LOCAL LAW TO ESTABLISH A PROCESS FOR APPLYING FOR OUT OF FRANCHISE ELECTRIC SERVICE"

Page 8

**Section 2.** That the Village Clerk is hereby ordered to publish a legal notice indicating the adoption of this Local Law as required by law and to file a copy of this Local Law with New York State as required by law.

**Section 3.** That this Local Law shall take effect as provided by law.

**Section 4.** That this resolution shall take effect immediately.

C. Other ( Drainage, Franchise)

1. Flood Study Update.

Mayor Walker gave a brief update on the flood study being done by MRB/group. We asked them to document the flood. To have a report on conditions, damages, and water levels.

2. Proposal for Engineering Services, MRB/group "Drainage Improvement Recommendations"

Mayor Walker stated that because of the flood that occurred in May 2002 the board asked our engineer, MRB/group, to submit a proposal for recommendations for drainage improvement. Such proposal has been submitted and will be removed by the board in the near future.

Trustee Russell: Has MRB/group ever done a flood study before?

Administrator Scheg: Yes, they have the hydraulic models and computer capacity to do it. They can do it on regional basis.

Trustee Russell: Have we contacted the Army Corp of Engineers?

Administrator Scheg: Not at this time. But you would need to get a definition of the stream. If it is navigable waters, the Army Corp might be involved, but if it is not they won't get involved. But we can make a contact with them to get their input.

Village Board Meeting  
July 10, 2002

Trustee Russell: The last comment I have is to make sure that the issues raised at our last meeting are addressed and also suggest that we talk to others in the area that were affected but haven't contacted us yet. Example: Dr. Cellura, Family Restaurant owners.

**Public Works Committee** – Trustee Granger, Chairman

A. Highways/Garage

Nothing requiring Board action.

B. Public Services (Refuse, Recycling, Parks)

Nothing requiring Board action.

**Public Safety Committee** – Trustee Granger, Chairman

A. Fire Department

1. Consolidation.

Mayor Walker stated that the Senate and Assembly have approved the Fire Consolidation legislation. We are just waiting approval from the Governor.

B. Police

Mayor Walker stated that we will follow-up on the previously mentioned Coleman Avenue speeding concern with Chief Schrank.

**Human Resources Committee** – Trustee Granger, Chairman

Nothing requiring Board action.

**Economic Development Committee** – Trustee Peer, Chairman

1. Canal Trek

Trustee Peer stated to the board that Canal Trek once again will not be stopping in Spencerport, they will stop in Brockport. Trustee Peer did state that he has made several phone calls to Albany to see how we could bid for next year to get them to spend one night in Spencerport. Trustee Peer also made a phone call to Brockport to see what kind of impact the Canal Trek has on the Village for their one night stay. What does Brockport do for the Canal Trek people?

2. Gazebo Concerts.

Trustee Peer stated that the Skycoasters would be performing August 11, 2002 from 7 PM to 10 PM. This year they will not be playing on the Gazebo but actually playing on a stand-alone stage somewhere on the Carnival grounds.

Joan Quigley: She was approached at one of the past concerts and was asked where were the port-a-johns?

Superintendent West: We will have one for the south side of the canal installed before the end of this week. We are waiting for engineer approval from NYS Canal Corporation for the one on the north side of the canal.

**Village Administrator** - Alan R. Scheg

1. "Main Street Transportation Tools"

Administrator Scheg gave a brief update to the board about the meeting he had with Genesee/Finger Lakes Regional Planning Council. Administrator Scheg did state that Genesee/Finger Lakes Regional Planning Council will be using Spencerport/Ogden to do a pilot program at no cost to the village. This is also being co-sponsored by the Regional Transportation Council. A presentation to the Village board should occur this fall with the final report is due in March Of 2003.

Page 11

2. Web site Update.

Administrator Scheg informed the board that the public access to our Web site occurred on June 19, 2002. Administrator Scheg did state that he plans on putting an article in the Suburban News about our web site sometime in August.

3. Update on GIS.

Administrator Scheg stated that the GIS Project is complete and he is currently working on the final report. This project was completed ahead of schedule and within budget.

Mayor Walker thanked the committee for all their hard work.

4. Sprint Cell Tower update on lease negotiation.

Administrator Scheg informed the board that Mayor Walker signed the new lease agreement today. The agreement will give the village additional revenue of \$ 500.00 a month.

**Village Clerk** - Pamela J. Cunningham
