Discussion ensued regarding food truck and it was determined that Attorney Stowe and CEO McQuilkin would discuss the intent of a potential code change and bring suggestions to the Village Board later.

May Penders led a discussion of potentially making the parking spaces on Amity Street west of the Post Office driveway to Church Street “no parking” to help with traffic flow during the bridge closure.

During the discussion it was determined that the Village Board members needed to do more research on the traffic flow and the parking spaces.

A motion was made by Mayor Penders and carried that the Village Board Workshop meeting be adjourned at 5:25 p.m.
