FUND BALANCE POLICY
11-Dec-13

Unreserved Fund Balance:

In order to maintain fiscal stability while responsibly minimizing the risk and the cost impact to our residents, the Village of Spencerport will strive to achieve fiscal year end unreserved fund balance levels as follows:

General Fund:

Base: Between 15% and 25% of budgeted next year appropriations.

+ Adjustment: To support Electric Fund cash flow (timing) needs

Example:

Based on actual fiscal year 2013 spending this would equate to between \$120,000 and \$200,000. Excess fund balances will be assessed annually and may be used to reduce annual tax bills.
+ Adjustment to support Electric Fund cash flow (timing) needs: Additional \$200,000
Total example Target Unreserved Fund Balance: between \$490,000 and \$685,000, or 25% to 36%.

Sewer Fund:

Base: Between 15% and 25% of budgeted next year appropriations.

Example:

Based on actual fiscal year 2013 spending this would equate to between \$120,000 and \$200,000. Excess fund balances will be assessed annually and may be used to reduce capital charges on annual tax bills.

Reserved Fund Balance:

Balances in reserve accounts will be maintained primarily to save for large planned capital outlays based on the Five Year Strategic Capital Plan, but may also be used for unplanned emergency or opportunistic purchases.
