

Spencerport Municipal Electric Requirements for Electric Service & Meters

1. Electric Service and Meter related jobs shall be coordinated through the SME Superintendent Owen McIntee @ 585-303-2943, or omcintee@vil.spencerport.ny.us

2. Electric Service and Meter related jobs shall have a SME Electricians Report completed and submitted to SME prior to any work performed. Electrician Reports are available on our website and shall be submitted to omcintee@vil.spencerport.ny.us or fax 585-349-2283 or dropped off at the Village of Spencerport Office, 27 West Avenue Spencerport NY 14559.

3. Electricians and Homeowners are NOT permitted to disconnect meters and risers. ONLY SME personnel are authorized to make disconnects and reconnects.

4. Please review SME Grounding requirements document which is available on our website.

5. All Electric Service and Meter related inspections shall only be conducted by;
Middle Department Inspection Agency
460 State Street, Suite 401, Rochester NY 14608
Office: 585-454-5191
Please contact Joseph Devito Electrical Inspector @ 585-315-0206
