

APPLIANCE ADVANTAGE REBATE

Qualifying Measures Worksheet

Your electric utility has qualified the energy-saving appliances listed on this page for Appliance Advantage incentives. All appliances and windows must be ENERGY STAR® certified in order to qualify. **The equipment must be purchased new and installed within the electric utility's service territory within six months of receipt purchase date.** For rebates greater than \$500, pre-approval is required. If you have any questions or you require pre-approval, please contact the IEEP at (833) 239-0164 or IEEPRebates@gmail.com.

Please ensure the product is ENERGY STAR® certified. To find out more about ENERGY STAR® appliances, or to inquire about qualifying products, visit the ENERGY STAR® website: www.energystar.gov
